### **Company Profile: IBSCY LTD**

**About Us:** Established in 2004 by a team of IT professionals, IBSCY LTD is a leading IT services provider based in Cyprus and one of the biggest Microsoft cloud providers in the wider region, with strategic partnerships and its own cloud products. IBS has grown to become one of the most respected IT companies in Europe offering the holistic solutions, serving clients across the EU, Middle East, and the US. With its new office in Greece, IBSCY Hellas, the company aims to add more value in serving its clients in Greece and the wider area.

IBS's expertise includes Cloud services and applications, Systems integration, IT infrastructure, Collaboration management, and Security solutions. Additionally, IBS offers total IT solutions including maintenance and support, hosting services, virtualization, business consulting, printing solutions, and more.

Our mission is to offer high-quality IT services and products and act as trusted allies for businesses, ensuring they have the technology they need for maximum efficiency and reliability.

**Your IT Partner for Success:** IBSCY LTD beyond tech
